

Simplify your retail business with Clover.

Run your physical and online stores with a tailored, all-in-one point-of-sale system to help grow your business.

- Accept payments easily
- Get clear on inventory with reports on sales by item
- Sync sales and other data across physical and online stores
- Keep your customers and your business safe

Clover for Retail

More than a standard point-of-sale system, Clover is a business management system. You can customize your Clover system to help you with:

- Take payments securely by mobile device or virtually
- Keep customers happy and coming back with promotions and loyalty programs
- Expand your online business with pre-built integrations
- Track sales, access reports and manage your entire business through a single dashboard
