

Mobile Banking Instructions

Requirements

- Need to be enrolled in Bank of Deerfield online banking
- Only Android and iPhone/iPad devices are supported

Downloading the App

To download the Bank of Deerfield App, search your phone's app store for "touch banking". On Android devices, the app store is called Play Store. On Apple devices, the app store is called App Store.

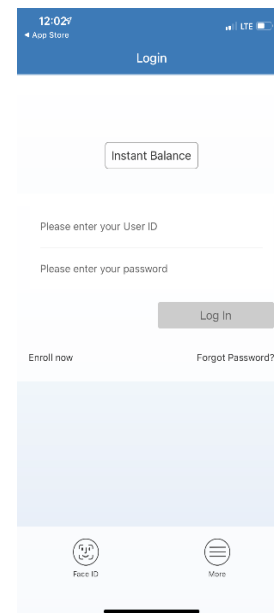

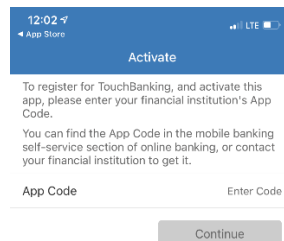

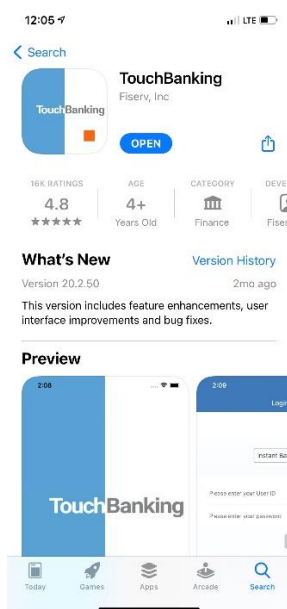

Play Store

App Store

First Time User Sign-on

First-time users of Mobile Banking will have a one-time setup process. When you first open the app, you will be prompted for an access code. The access code is **gomobile0623**. Next, you will be asked for User ID and password. The User ID and password is the same login credentials used for Bank of Deerfield's online banking through website.

Technical Problems

If you need any assistance downloading the app or using a specific function, please call Bank of Deerfield at 608-764-5411.
